

## Create an Account

In order to initiate a service request or set up notifications on your device, you must first create an account. To create an account, follow these steps.

Tap on the three stacked lines (“hamburger”) in the upper left corner of the screen.

Select **Create Account** from the menu.

Fill in the Name, Email, and Password fields, then tap **Sign-Up** to complete.

A screenshot of the Sanford Connects app registration form. The top status bar shows the time 4:09, signal strength, Wi-Fi, and battery at 81%. The header is blue with a back arrow and the word 'Register'. Below the header is the Sanford logo and the word 'SANFORD' in large green letters. The form contains three input fields: 'Name' with 'John' and 'Doe' entered, 'Email' with 'john@example.com' entered, and 'Password' which is empty. Below the fields is a grey 'Sign Up' button. At the bottom, there is a link that says 'Already Registered? Sign In'. A section titled 'Why do I need to Register?' is partially visible at the bottom, with the text 'Registered users can get updates on requests,'.
