SYNOPSIS:

Approve Resolution No. 2024-3287, establishing the millage rate and Resolution No. 3288, establishing the operating and capital budgets as presented in compliance with Florida Truth-in-Millage statutes is requested.

FISCAL/STAFFING STATEMENT:

The tentative property tax (ad valorem) millage rate is 7.325 mills, the same rate as last year. This rate, based on an increase of \$655 million in property values estimated for 2025, will be an 11.9% increase in property tax revenues for a total levy of \$42.06 million. Citywide operating expenditures will increase by \$22,051,717 or 11.8%. The budget exceeds \$208 million and provides all appropriations for the 2025 fiscal year by department, division and cost category.

BACKGROUND:

As required by the *City Charter*, the City Manager submitted a tentative annual budget and capital program for fiscal year 2025 to the City Commission at the beginning of July. Subsequently, the City Commission held a budget workshop to review and discuss the budget, relative to staffing, capital projects, operating issues and the funding available for all identified activities. On July 22, the City Commission certified the time and place for a public hearing on the tentative millage and budget, scheduled for Monday, September 9, 2024 at 7 P.M., notice of which was provided to all property owners on their County Truth-in-Millage notification.

To comply with statutory requirements, "prior to the conclusion of the hearing, the City Commission shall amend the tentative budget as it sees fit, re-compute its proposed millage rate, and publicly announce the percent, if any, by which it exceeds the rolled back rate and adopt the amended budget." If no changes are made to the budget as presented, and no change is made to the millage rate of 7.325 mills, then the proposed millage rate is a 6.7022% increase over the rolled-back rate of 6.8649 mills.

The budget resolution also provides for the delegation of budget transfers from the City Commission to the City Manager for transfers within departments, offices or agencies. Thus, the City Manager becomes responsible for reviewing the written justification and approval of these transfers. This delegation is carried out each year with the budget resolution.

LEGAL REVIEW:

Both the millage and budget resolutions have been reviewed by the Assistant City Attorney.

RECOMMENDATION:

In accordance with controlling statutory provisions the City Commission must complete the following steps in the sequence outlined:

- **Allow** public comment or questions on the proposed millage rate and budget.
- **City Commission discussion and action.** If the City Commission changes the proposed millage rate please follow the script procedures for change in millage rate. As a reminder, the millage rate can only be adjusted down at the final hearing and not up.
- **Adopt** the millage rate **FIRST, BY SEPARATE MOTION.**
- **Adopt** the budget **BY SEPARATE MOTION.**
- **Announce** “The final hearing of the City’s 2024/2025 millage and budget will take place on Monday, September 23, 2024 at 7:00 p.m. here in the City Commission Chambers at City Hall.”
