

Resolution No. 2025-3410

A Resolution of the City of Sanford, Florida, amending the City's annual operating budget for the fiscal year beginning October 1, 2024 and ending September 30, 2025; providing for implementing administrative actions; providing for a savings provision; providing for conflicts; providing for severability and providing for an effective date.

Whereas, the Commission of the City of Sanford, Florida has adopted an annual operating budget for the fiscal year beginning October 1, 2024 and terminating on September 30, 2025 specifying certain projected revenues and expenditures for the operations of Sanford municipal government; and

Whereas, the City's budget presumes that each department generally will, to the best of their ability, maintain its expenditures within its allocated budgeted level and exercise prudence in expending funds during the course of the City's fiscal year; and

Whereas, from time-to-time circumstances and events may require that the original City budget may need revision; and

Whereas, the City Commission, in its judgment and discretion, has the authority to adjust the budget to more closely coincide with actual and expected events.

Now, therefore, be it adopted and resolved by the City Commission of the City of Sanford, Florida as follows:

Section 1. Adoption of Budget Amendment.

The annual operating budget of the City of Sanford for the fiscal year beginning October 1, 2024 and terminating on September 30, 2025 is hereby revised and amended by Attachment "A". The Attachment is hereby incorporated into this Resolution as if fully set forth herein verbatim. AUGUST 25, 2025, AGENDA

TO: Honorable Mayor and Members of the City Commission
PREPARED BY: Robert Ferguson, Fleet Superintendent
SUBMITTED BY: Norton N. Bonaparte, Jr., ICMA-CM, City Manager
SUBJECT: Resolution No. 2025-3410, Budget Amendment and Procurement Approval for Installation of Oil and Air Components through Ovation Construction Inc., in the amount of \$15,040.37

SYNOPSIS:

Requesting to approve Resolution No. 2025-3410 and procurement in the amount not to exceed \$15,040.37 to Ovation Construction Inc. to install oil tanks and an air compressor along with associated piping and concrete work for the Fleet Maintenance shop.

FISCAL/STAFFING STATEMENT:

Funding in the total amount of \$15,040.37 will be moved from the Fleet's Capital Machinery and Equipment account to the Improvement Other Than Building account.

BACKGROUND:

The Fleet Maintenance division previously purchased new hydraulic oil tanks and an air compressor that need to be installed and piped to the appropriate locations within the Fleet building. Ovation Construction Inc. will install the new oil tanks and air compressors along with associated piping in the Fleet building. Additionally, Ovation will install a new concrete slab and curb around the proposed oil tanks for containment purposes.
